

## Metro West 2017-2018 Registration and Tuition Information

Thank you for inquiring about classes at Mass Motion Dance Metro West located at the H.Y.P. Studios in Medfield. Our programs are designed to accommodate dancers of all ages and abilities. You can begin and enjoy dance at any age! We ask that all students consult with us before choosing a specific class and schedule. Even if you have danced before, it is often important for us to see you in class in order for us to have an idea of your prior training and to properly place you in a class. We continue to watch and evaluate all students in each class. After the first few classes we may request that a student change to a different class level. It is important that each dancer is in the right class to guarantee that they are progressing at the right level for each individual student.

**Fall classes begin after Labor Day on Tuesday, September 5th.** Classes end after our spring recital in June. Dance classes are a full school year commitment, but dance training should continue year-round. If a student chooses not to complete the year, a 30-day notification must be given for tuition termination.

Tuition prices are listed below. There is an annual registration fee of \$30.00. For your convenience we break tuition into equal payments, due by the first of the month. They are not "monthly" payments as some months may have three classes while others have five. You may pay tuition in half year or full year payments if you prefer. There is a late fee of \$10 for any payments made after the 15th of the month. We do have auto-pay options available.

**Billing:** You will **not** receive a "bill" when tuition is due, but we will send out an automatic email reminder at the beginning of the month. Please make sure that we have your updated email information and that you receive our Enewsletters.

**AutoPay Options:** We are able to automatically withdraw tuition monthly, you can set up automatic payments at the office. You can also set up a payment schedule with your own bank.

**Make-Up Policy:** Missed classes can be made-up in another class with students of the same age. It is not required that you make-up classes. Students are welcome make-up classes missed for vacations, snow cancellations and for personal reasons. Tuition can only be suspended due to extended injury, illness or family emergency. For proper dance training, it is very important that students have good attendance in dance class, please try to make it to your own class regularly.
